## The RRC Advantage: Simple Specials

Manufacturers know the value of high quality products in demanding environments. To maximize production and stay competitive, their tools need to be reconditioned or manufactured and delivered as quickly and conveniently as possible. Kennametal created Rapid Response Centers™ to exceed our customer's expectations, delivering the tools they need faster than ever before.

Rapid Response Centers™ (RRC) focus on the capability to quickly turnaround simple special solid carbide end mills. The local convenience of RRCs allows us to be more responsive to your needs, as requests are fulfilled and manufactured right on site. Upon receiving your order, the manufacturing of simple specials can be completed and delivered in 10 working days or less.

## RESPONSIVE.

*Quotes can be delivered within 24 hours or less.*

As soon as you submit a request, the process immediately begins. Any of your quote requests submitted will be delivered in 24 hours or less. You can always expect a quick turnaround and response with an RRC — every step of the way.

## DIRECT.

*Work directly with our local onsite expert technicians.*

Contact RRCs by email or through our local Sales Team to submit a quote request.

## SMART.

*Delivered faster — saving you time & money.*

The complete RRC service doesn't end once an order has been fulfilled. Future orders will be expedited through a detailed RRC history report that makes the process even faster and easier than the first time.
